Foreword

It has been fun preparing this annual for you. It is our hope that it will be a joy for you to possess it.

At this writing the memories of the facts, faces and events recorded here are fresh to us all. However, the years ahead will pass swiftly, and with them memory will fade.

With each passing year, you may wish to recall some face, relive some incident, or reconstruct some course of events. If this book serves you as a storehouse of memories of some of the happiest years of your life, then our efforts will have been rewarded.

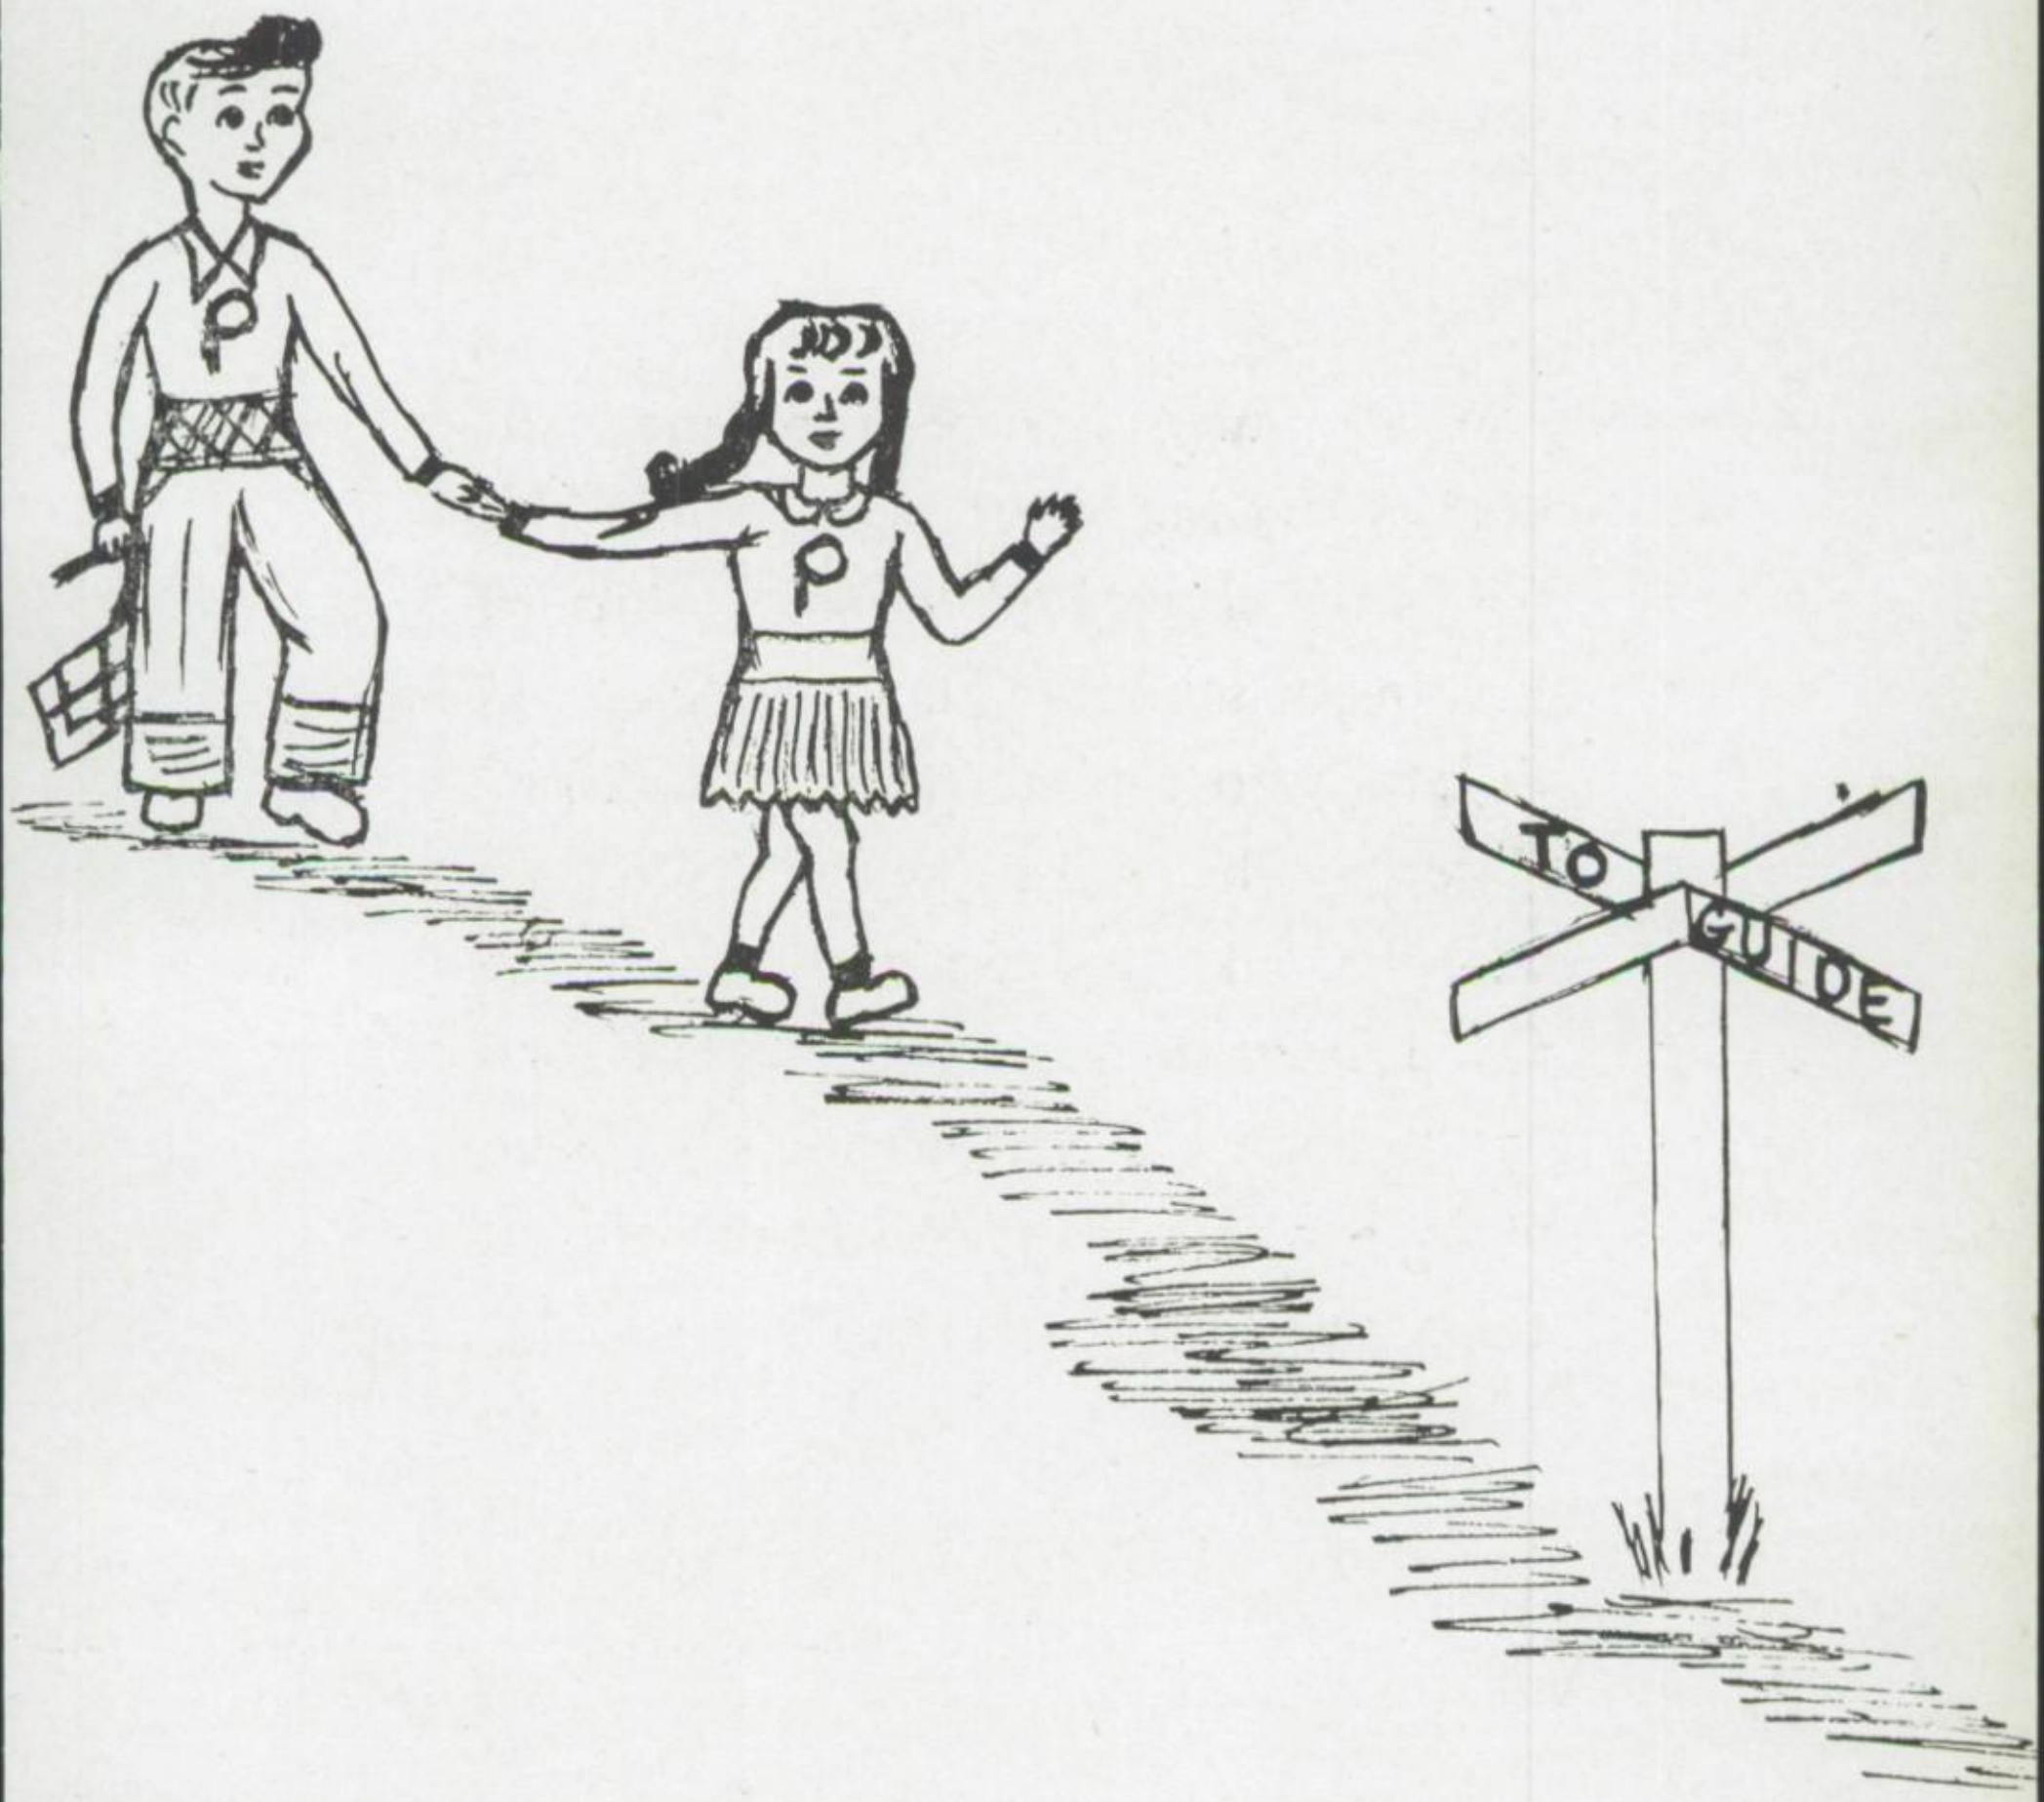
THE STAFF

Dedication

Mrs. Mosher has always been untiring in her guidance and assistance to the students of our school. Through her Girl Reserve work, as well as in her classroom, her genial influence has reached many students. Although she retired during the first semester, she sacrificed her own desires and came back to finish the year for Mr. Stoughton. The ideals for which she stands will always live in the lives of those with whom she has come in contact.

In recognition of her service to the school, and to partly pay our debt of gratitude to her, the Delphian Staff dedicates the 1946 Delphian to Mrs. Mosher.

The Delphian has been planned this year as if a big sister were conducting her little sister and brother through her high school. They are Phil and Delphi, two typical New Philadelphia children. She will show them what the school is like and what is done there throughout the year. You will find these children on the various division pages in appropriate poses. We hope you will enjoy the book with them.



TO
GUIDE

Here you will be introduced to the people who supervise our school and see that it is managed so as to serve our best interests: the Board of Education, the superintendent and the principal with their secretaries, the man that sees that we are in school when we should be, the men who keep our building in good condition, comfortable, and orderly, and the teachers who instruct us.

Congratulations, seniors and others, on the high standard of THE DELPHIAN which you achieved without benefit of advertisement.

We hope you have acquired adequate fundamental tools, a scientific attitude, and some stability of character in your passing via the high school route on your life's way.

May the juniors, sophomores, and future classes take maximum advantage of society's offer of public education aimed at the making of better citizens.

The citizen's contribution to the welfare of his fellow men may be limited by his skill to produce as well as his desire to do something constructive.

THELMA E. BUSBY
Secretary to the Superintendent

I want to take this opportunity to express appreciation to Miss Baker and the Delphian Staff for the presentation of another fine school annual. Every year since its inception, N. P. H. S. has published a yearbook. The first publication was in 1914 under the supervision of Walter Ritter and was called "The Corona." The following year the name was changed to "Delphian." It comprises the most complete record of our school's activities.

I also wish to congratulate you seniors for successfully completing your high school education. May the training which you have received enable you to do better the things in life which you will be expected to do.

May I also suggest to the juniors and sophomores that what you are planning to be, you are now becoming. So set your course, trim your sails, and keep on sailing.

Leaves From a Senior's Diary

May 28, 1943

Dear Diary,

On September 4, 1942, we became the upper classmen of Welty High. Many of our class members took part in "The Cavalcade of Freedom," a dramatization put on by Welty for our parents. A pageant sponsored by the Student Council and Leaders' Club, which portrayed the life of the early settlers of Schoenbrunn village, was presented at Schoenbrunn, and again many of the freshmen took part. The remainder of the year was spent in doing everything possible for the war effort. The selling of war stamps and bonds, the collecting of scrap meta. and paper, the sending of magazines and candy to the Dennison Canteen, and other such acts, kept us well occupied.

May 29, 1944

Dear Diary,

We were a bewildered group who jumped from upper-classmen in Junior High to lower-classmen in Senior High when we started our sophomore year. But before many months had passed we were well acquainted with our upper-classmen. Each Monday we purchased our weekly amount of War Stamps. Many of us joined the Girl Reserves, G. A. A., band, and chorus. Time passed quickly, and it was not long until our first year in the Senior High School came to an end.

May 28, 1945

Dear Diary,

We were much more familiar with the halls of our own Senior High School when we started our junior year. Events passed rather smoothly. One of the highlights of the year was the presentation of our class play, "Kind Lady." Assemblies, dances, and other school activities filled the greatest part of our spare time. For the last act as a Junior Class, we served as hosts for the seniors at the annual Junior-Senior prom.

May 28, 1946

Dear Diary,

As the upper classmen of Senior High, we organized early in the year and made plans for meeting our budget. A Christmas dance for the entire school was our first major undertaking. At the semester we were sorry to lose one of our class advisers, "Doc" Stoughton, but under the able supervision of Mrs. Hodder, assisted by Mrs. Mosher, we came through with flying colors. After weeks of studying, many of our class members participated in the Senior Scholarship tests. More dances and the successful "Home Came Hattie," our class play, comprised our major money-making activities. Living in a whirl of excitement, we attended the prom, baccalaureate services, the banquet, and commencement which climaxed four of the greatest years of our life.

THE PLAY

Hattie Hockaday is a strict vegetarian and tries to make everyone else live on the same diet. When she leaves town to lecture on the evils of meat-eating, her nephew, Ricky Hart, and his wife Dimple plan a delicious meat dinner. K. Casper Quilly comes to their home to call on the non-existent sick wife of his employee, Slim Pickins, a roomer at the Harts. Bill Bluett, another roomer, is upset because Toad Lafferty, a murderer and convicted bank robber has escaped and will come here to find the money he had stolen from the bank where Bill works. Dimple Hart poses as Slim's wife, and Bill disguises himself as Aunt Hattie. Mrs. Sparks and her daughter Ula come to consult Aunt Hattie about whom Ula should marry. To complicate matters still further, Hamilton Hogg, one-time fiance of Aunt Hattie and Dimple's uncle, comes to visit his niece and nephew. How the matters are finally straightened out forms the climax of this whirlwind farce.

Gazing Into the Future

Here, dear readers, you may see
What we always thought they'd be;
Scholars, saints, or even "hicks,"
We were the class of '46.

Dawn Breyer is on top of the world these days. Remember? She married that handsome sailor with the curly hair, and now they have two little gobs.

There's Joan McCarty on the teaching staff of her old alma mater, Senior High; and where's the student who wouldn't bring an apple for the teacher?

As we pick up the daily newspaper, now edited by that witty John Bates, we find that two local gentlemen, Don Hart and Bob Harris, are running "neck-to-neck" for county treasurer. We always knew those lads were good at figures.

Mary Anne and Fred, now peacefully united under the name of Ricketts, are the parents of twin boys. What, two more boy scouts in the family?

The laboratory of the world-renowned chemist, Dean Stevens, recently exploded while its owner was experimenting. Accidents will happen.

Mary Emerson's favorite motto seems to be, "If at first you don't succeed, try, try, again." She has just divorced her fifth husband. We wonder whether she'll ever find that certain "Billy-boy."

And that swell guy, "Eddie" Warmack, is the new coach of M. R. U. (Mud Run University).

"Gym" Rapport and Bob Caples, famous "heavy-weight" wrestlers, meet in Madison Square Garden soon. Rapport's comment to a reporter was, "I'll tear 'im to pieces." "The Harstine Brothers and Lewis and Lowther's Six-Ring Circus" is coming to town featuring "the little man with the big muscles, "Norm" Jackson. Another big attraction is Harold Thomas, the famous clown, "Happy," who has kept circus fans all over the world in stitches.

Jack Singerman is now operating a sports goods store in Chicago. He carries a complete line of basketball equipment; but then we expected that of Jack, since he always had a pretty good line when we knew him.

We hear that Ruth and Joe, now happily Mr. and Mrs. Cheslock, have a standing order with the Safety Pin Company.

Sure enough there's our own Jane Boyce, a famous missionary. Of course you've read about how she trekked 999 miles across Africa converting the natives. Or was it hunting a man, Jane?

We hear that Elvin Hannahs is busy all day autographing copies of his latest book "Women—the Economic, Socialistic, and Political Value of."

Bill Yaggi has recently been elected president of the T. C. S. C. A. D. A. O. A. (Tuscarawas County Swiss Cheese and Dairy Association of America).
And there's an "angel of mercy," our own Jackie Williams, saving lives "right and left" at Johns Hopkins Hospital.

Virginia Enold's name can be seen in lights these days. She has become a famous dramatic actress on Broadway. We rather expected that of Virginia because when we knew her she was always "Able" to do anything.

Hope Rosch and Norma Kuenzli

The German Club fosters interest in the language and customs of the German people. A play spoken in the German language was given at the Christmas meeting. First year students, taken in at the end of the semester, attended a meeting in which they were familiarized with German literature, music, science, and religion.

The climax of the year was reached in the banquet held with the Spanish Club.

Why's that big crowd around the bookroom at noon? Surely they're not all trying to buy workbooks! Oh, a new shipment of candy has arrived! Maybe you won't get a pack of gum this time, but get there earlier next time, and you may find a Milky Way. The proceeds from the Candy Stand form an important source of income for the Delphian.

Glamor and color were added to the football games by the half-time shows put on by the band, under the leadership of Mr. Jolly.

The popularity of the after-game dances has been largely due to their capable playing, under the able leadership of Marilyn Moffit.

The harmonious singing of the A Cappella Choir drifting from the auditorium every fourth period relieves the drudgery of classes.

Their Christmas caroling through the halls gave the students the real holiday spirit. The choir's responses added to the impressiveness of the worship period during assembly programs. They also sang for many civic activities.

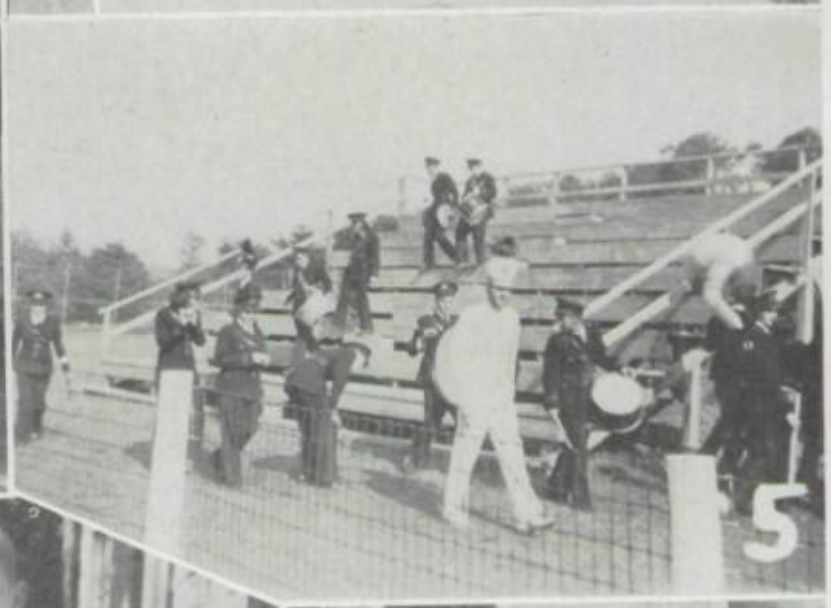
If there's a melody in the air the fifth period, it's probably the three-part music that the Girl Reserve Chorus is practicing for special occasions of the Girl Reserves and various civic affairs. The Chorus is under the student direction of Mary Emerson and the supervision of Mr. Jolly.



1. Peek a boo! 2. I dare you. 3. The Three Musketeers. 4. The Gashouse Gang. 5. And then there were none. 6. What are you waiting for? 7. Ain't love grand? 8. Those McJays again!

The Coaches

S. P. Harmon Paul Hoerneman William Kidd

PAUL HOERNEMAN — *Head Coach*

The start of the season found only three lettermen returning from last year's undefeated and untied squad. Despite this fact, Coach Hoerneman developed the inexperienced squad into a fine team. This feared team lost two, tied one, and won seven games. He also developed an excellent basketball team which won fifteen out of twenty-one games. We hope next year's season is a successful one.

WILLIAM KIDD — *Assistant Coach*

Coach Kidd was a fine coach and was liked by everyone on the squad. He worked with the line and developed it into a hard charging combination. He did all of the scouting, and his scouting reports helped bring about many victories. During the basketball season, he coached the Junior High Freshmen, who lost only two games during the season.

S. P. HARMON — *Assistant Coach*

"Syl" coached the Junior High football squad and developed a powerful team which lost only one game during the season. He is liked by everyone on the squad and has won the respect of the entire Junior High. During the basketball season, he coached the Reserves, who turned in a fine season. His reserves have plenty of height and will really strengthen next year's varsity.

The Managers

Row 1—John Wright, Fred Ricketts, John Zion, Dominic Liberatore.

Row 2—Elmer Paloncy, Eugene McMath, Mr. Howey, James Pringle, James Hart.

Faculty Manager — Mr. Howey

Mr. Howey has one of the toughest jobs in the school and did a very fine job this year. He had charge of getting all of the equipment, which was very difficult. He also schedules games, furnishes transportation for "away" games, and contracts officials.

Football Managers — John Zion, Dominic Liberatore,

Jim Hart, and Elmer Paloncy

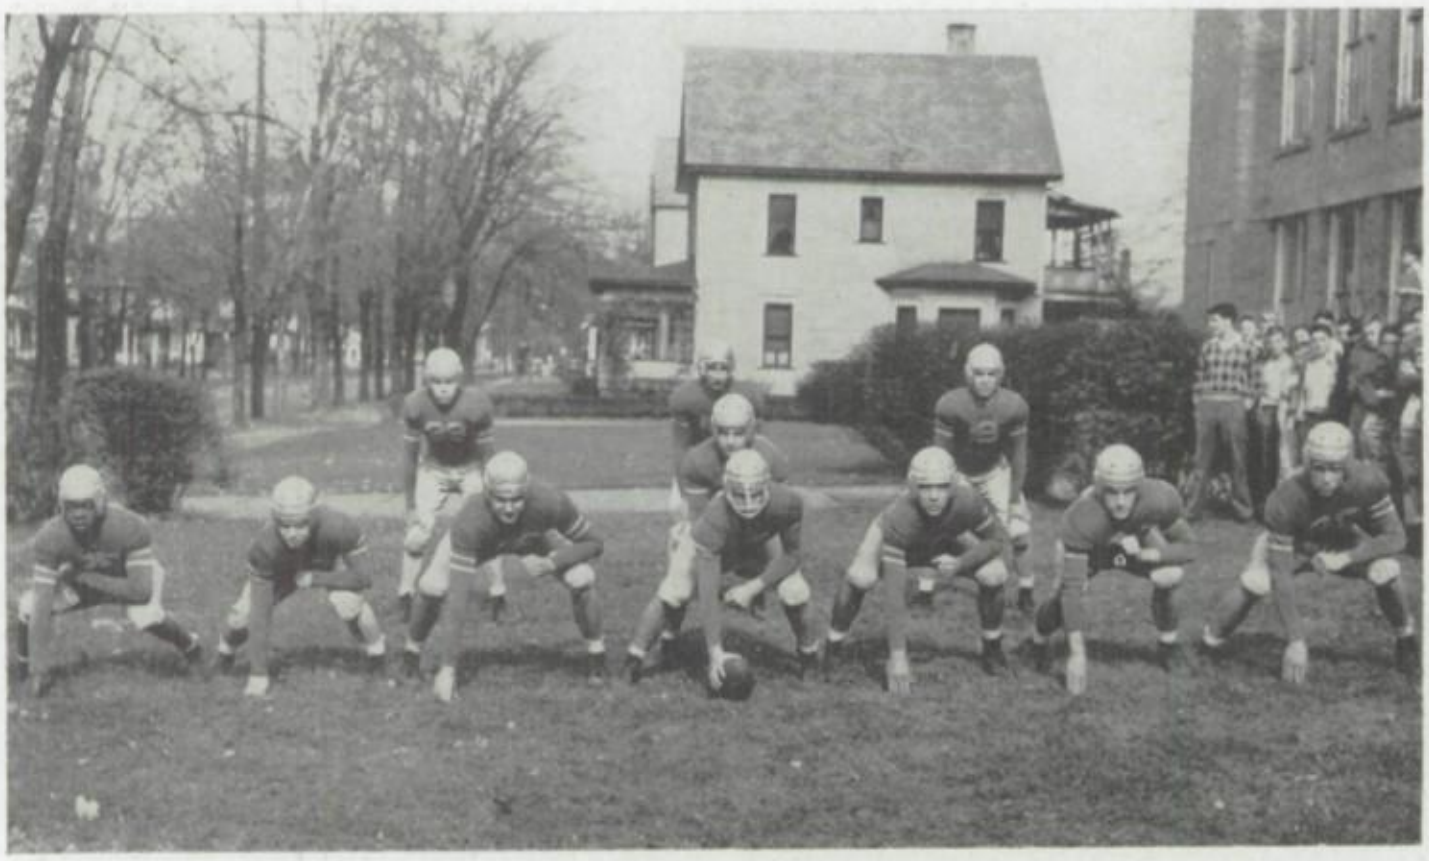
These boys had a very hard job and did their job well. Among the chores done were: going out to practices, keeping the equipment and locker room clean, oiling shoes, changing cleats, taping ankles, and the biggest job, finding equipment for the squad.

Basketball Managers — Fred Ricketts, John Wright,

Eugene McMath, and Jim Pringle

These boys also had a hard job and put in many hours at practices. They had chores similar to the football managers; namely, keeping the equipment clean. They also recorded shot charts during all practices and during games.

The Starting Lineup



Backfield—William Yaggi, Burton Beaber, Edward Warmack, Orval Stephens.

Line—Robert Harbin, Norman Jackson, Leon Yarnell, Robert McMillen, Dale Schwartz, Lloyd Johnson, Paul Phipps.

THE GAMES

QUAKERS TROUNCE ALUMNI—32-7

In their opening game, played with the Alumni, the inexperienced Quakers with only three lettermen showed promise. A hard running attack and excellent passing pushed across five touchdowns. "Dick" Meese, flashy sophomore halfback, led the scoring with three touchdowns. The Quakers' charging line stopped the Alumni's running offense cold.

QUAKERS DERAIL RAILROADERS—34-13

The Quakers, showing much improvement since the Alumni game, nailed down their thirteenth victory in a row. Especially commendable were the running of Beaber and Yaggi and the kickoffs and conversions of Phipps. Dennison lost a chance to score when halfback Finn lost his footing and fell.

QUAKERS BATTLE PREXIES TO SCORELESS TIE—0-0

The Quakers completely smothered Garfield's famed running and passing, and outplayed them in every department except punting. The Quakers' pass defense was nearly perfect. Our boys penetrated Garfield's ten-yard stripe three times, but each time were thrown back by a strong forward wall. "Bud" Heaton, tough junior end, received a broken neck, and will be lost for the remainder of the season.

QUAKERS BLASTED 38-0 BY POWERFUL POTTERS

Suffering their first defeat in fifteen starts, the Quakers bowed to the East Liverpool eleven, 38-0. The Potters, sporting one of the heaviest high school teams in Ohio, easily pushed across their scores. They also had one of the smoothest working elevens that have been seen in this section for a long while. Due to the wetness of the field, the Quakers fumbled frequently.

QUAKERS SINK YOUNGSTOWN NORTH—38-0

By reversing the score of last week, the Quakers returned to the win column. The starters turned the game over to the second and third string after the third quarter. In the last quarter "Shorty" Long made some long end sweeps and did very nice open field running. The second string did a fine job and held their own against North's strong line.

QUAKERS OVERRUN BOYS' INDUSTRIAL SCHOOL—32-14

The B. I. S. was no match for the Quakers' first string although they scored twice against the second string. The first string played an excellent defensive game and held Lancaster to seventeen yards for the first three quarters. When the game was turned over to the second stringers, Lancaster scored twice in two minutes. "Speedo" Yaggi led the scoring with three touchdowns.

QUAKERS BOWL OVER BIG RED OF BELLAIRE—20-0

Playing a game which was nearly perfect in every way, the Quakers routed the big and heavy Bellaire eleven 20 to 0. Leading the attack was "Burt" Beaber, a 157-pound bundle of atomic energy, who paved the way to victory with three touchdowns. One came on a spectacular 66-yard jaunt, and the others when he was back to pass and then had to run with the ball.

QUAKERS BATTLE IN MUD TO BEAT UHRICHSVILLE—13-0

Playing on a slippery and muddy field, the Quakers had to fight every minute of the game to defeat the Tigers. The scores came on runs of 44 and 45 yards made by Beaber and Stephens. The Tigers had a huge line and fought hard throughout the whole game. The Tigers' only serious scoring threat came during the last period when they were held for downs on the four-yard line.

QUAKERS SCORE ON BREAKS TO DEFEAT MAGICS—20-6

The Quakers again had to play on a muddy field as they turned back Barberton 20 to 6. Barberton scored first when they recovered Warmack's fumble as he tried to punt. The Quakers then drove across the goal line and tied the score. Jackson blocked a punt and recovered, to set up the next score. Stephens later hit the Magics' safety man, causing him to fumble, and Jackson again recovered, making the last score for the Quakers.

UNPREDICTABLE QUAKERS BOW TO CRIMSONS—6-0

For the first three quarters the Quakers gave their worst performance of the year. No first downs were made during this time and little yardage was gained. Koledin scored for Dover on a short plunge, after a 44-yard drive. The Quakers rallied during the last quarter, completing six first downs. Phipps caught a pass on Dover's six-yard line as the gun sounded, ending the game.

LETTERMEN

ROBERT HARBIN *End*

After receiving a discharge from the Navy, "Bob" came back to school. He was shifted from the backfield to offensive end, and backed up the line on defense. He showed his best form at the Dover game.

DALE SCHWARTZ *Tackle*

This was Dale's first year of varsity football, and he amazed the coaching staff by his fine play. He and Rufenacht alternated at the same position, and both did a fine job. During the Barberton game, Dale continued to play over a quarter despite the fact that he had a severe cut above his eye.

LLOYD JOHNSON *Guard*

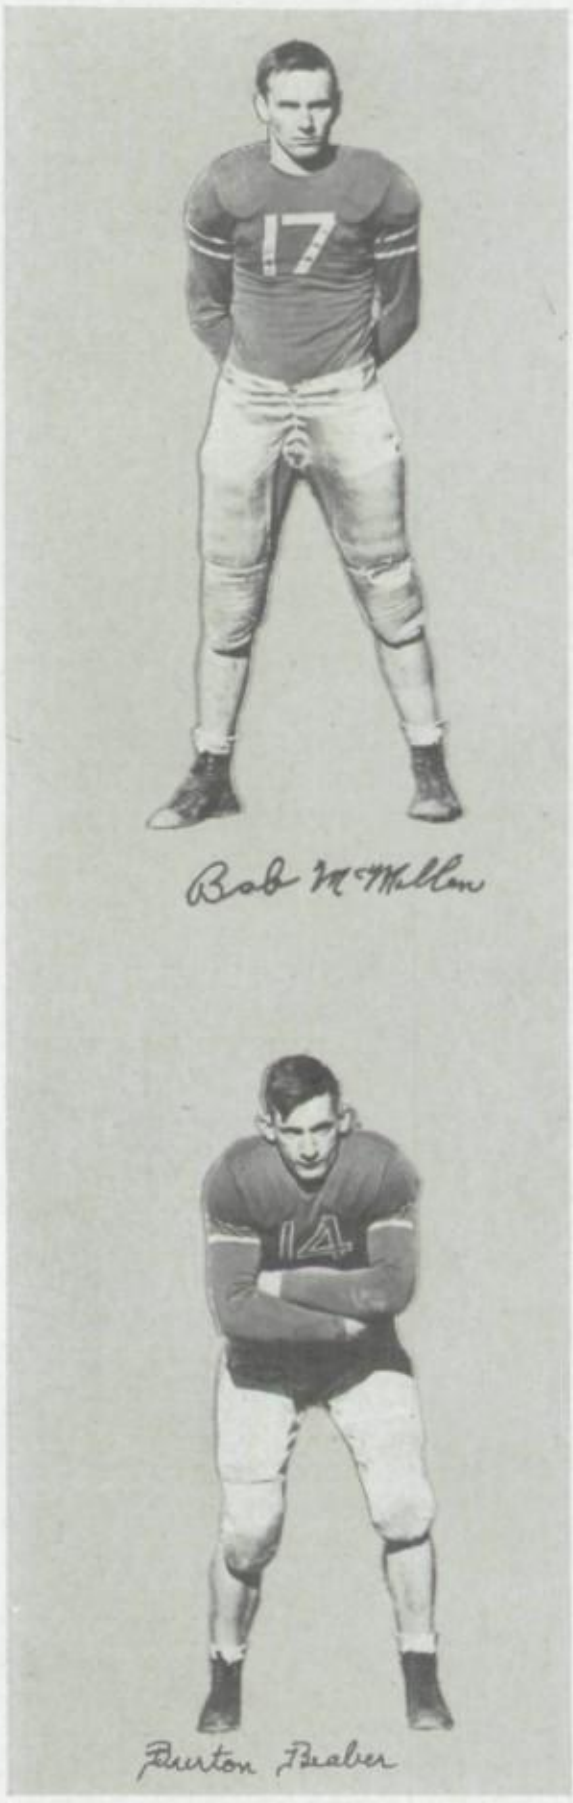
"Zip" played opposite "Muscles" and did an excellent job of holding down this position. He will be back next year, and is expected to be one of the team's best players. His ability is shown by the fact that he was rarely substituted.

ORVAL STEPHENS *Halfback*

"Orv" is one of our fast and hard-hitting halfbacks. He was shifted to end when the Quakers were on the defensive and always knocked away the interference and spilled the ball carrier. "Orv" is a junior and will be a great asset to the squad next year.

ROBERT McMILLEN *Center*

Although "Mick" weighs only 145, he has held down this important position for three years. It is generally accepted that he has been the hardest hitting line backer that Phila has ever seen. "Mick" also prevented many opponents' touchdowns by intercepting passes at critical moments.



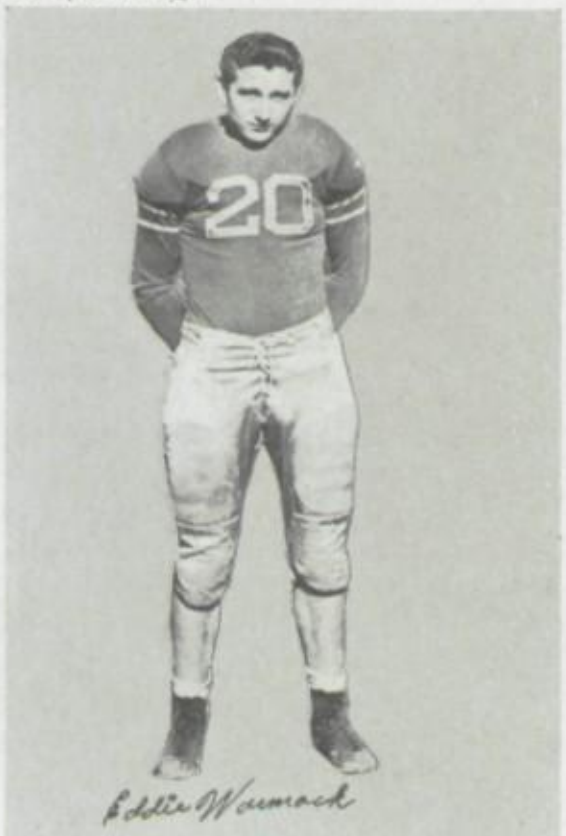
BURTON BEABER *Fullback*

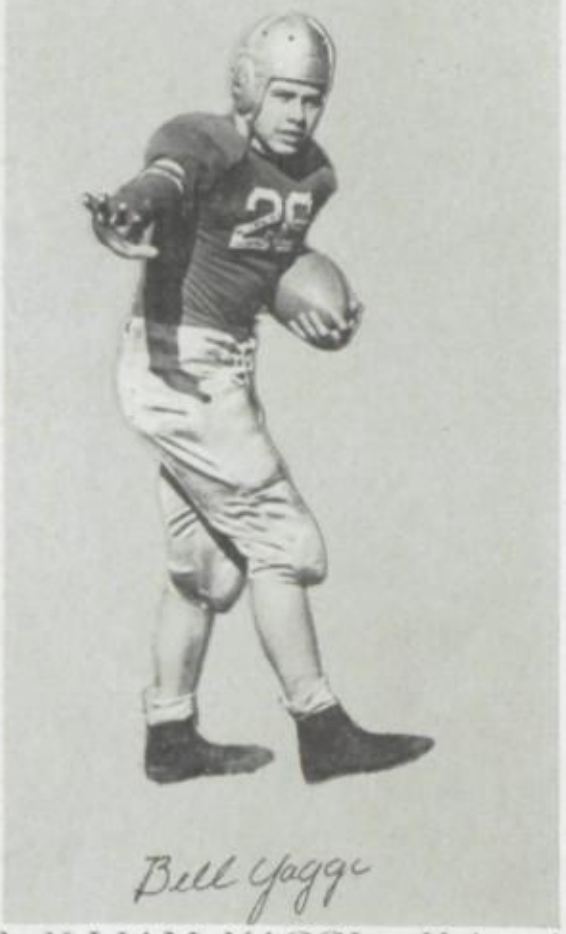
"Burt" received the title of "the unassuming farm boy" after his brilliant game at Bellaire. He scored three touchdowns on long runs and gave the Quakers, who were rated underdogs, a victory. All of the passing was done by him, and he could really "lay on" the tackles while on defense.

L E T T E R M E N

EDWARD WARMACK
Quarterback

"Eddie" is a three year letterman. He played halfback his first year and was then shifted to the important quarterback position which he has held for two years. "Eddie" did an excellent job at blocking back and also did practically all of the punting.





WILLIAM YAGGI *Halfback*

"Speedo" was one of our flashy wingbacks and was a very able player. During the Boys' Industrial School game, he scored three touchdowns. He was always breaking away for long runs and was also an excellent pass receiver.

PAUL PHIPPS *End*

Paul was the tallest member of the squad. He did all of the kicking off and often put the ball down into the end zone. He also kicked fifteen conversions. As a lineman, he was big and rugged and could really smash across the line.

LEON YARNELL *Tackle*

"Scorp" was shifted from end to tackle this year and turned in a very creditable job. He was rough, tough, and hard to be bluffed. His strength and power made themselves felt against our opponents.

NORMAN JACKSON *Guard*

"Muscles" is the fastest, toughest, and smallest guard Phila has seen for a long time. His specialty was blocking punts, and every game found him trying to do this by leap-frogging over the center's back. When "Muscles" tore through the line, nothing could stop him.

JUNIOR RUFENACHT
Tackle

"Lee" started last season at 240 pounds and finished this season at 194 pounds. This fact shows that he really wor' e !. The squad will always remember his loud yell which was often heard out on the field. "Lee" was always talking it up and was liked by the whole squad.

LETTERMEN

CARLTON LONG *Halfback*

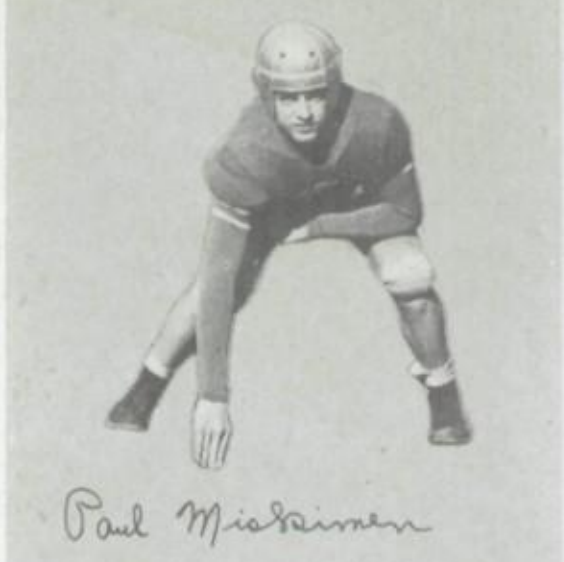
"Shorty" is a promising junior who has shown brilliant broken-field running throughout the year. He played his best game against Youngstown North when he broke away for long runs.

RICHARD MEESE *Halfback*

"Dick" is only a sophomore and has two more years with the squad. He has moved up from last year's freshman team and showed his real worth in the Alumni game when he scored three touchdowns. He is slated for the first string next year.

JACK SINGERMAN *Quarterback*

This was Jack's first year of varsity football, and he showed that he has what it takes. When Warmack would be out of the game, Jack would go in and do a fine job of signal calling. Jack is a senior this year and this leaves the position of quarterback open.

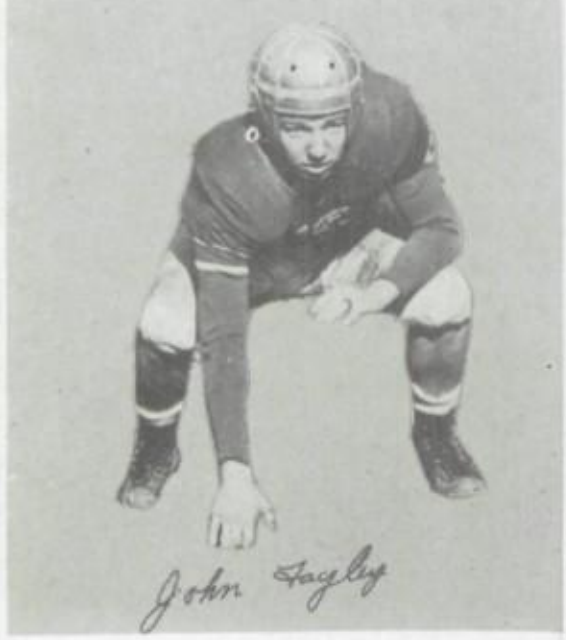


PAUL MISKIMEN *End*

Paul is a junior and saw much action this year. He has developed into a deadly pass receiver and will probably do most of this next year. Although a bad knee bothers him sometimes, he is a good down field blocker and can hold his own on defense.

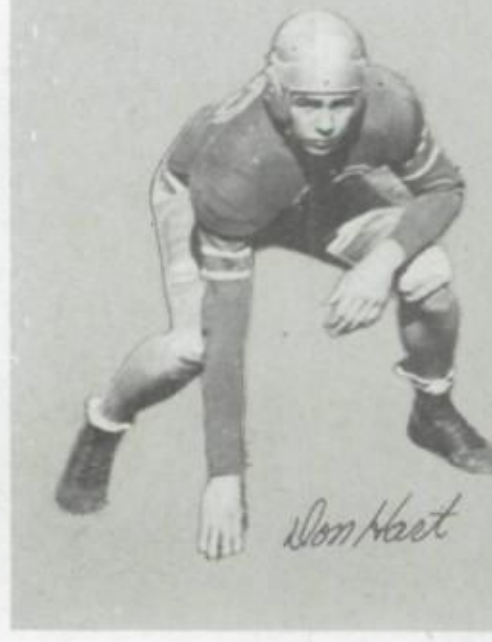
DONALD HART *Tackle*

This was "Liver's" first year of football, and this restricted him from seeing much action. He received a service letter as all seniors on the squad do. His loyalty to the squad was apparent as he worked hard all of the time.



JOHN FAGLEY *Guard*

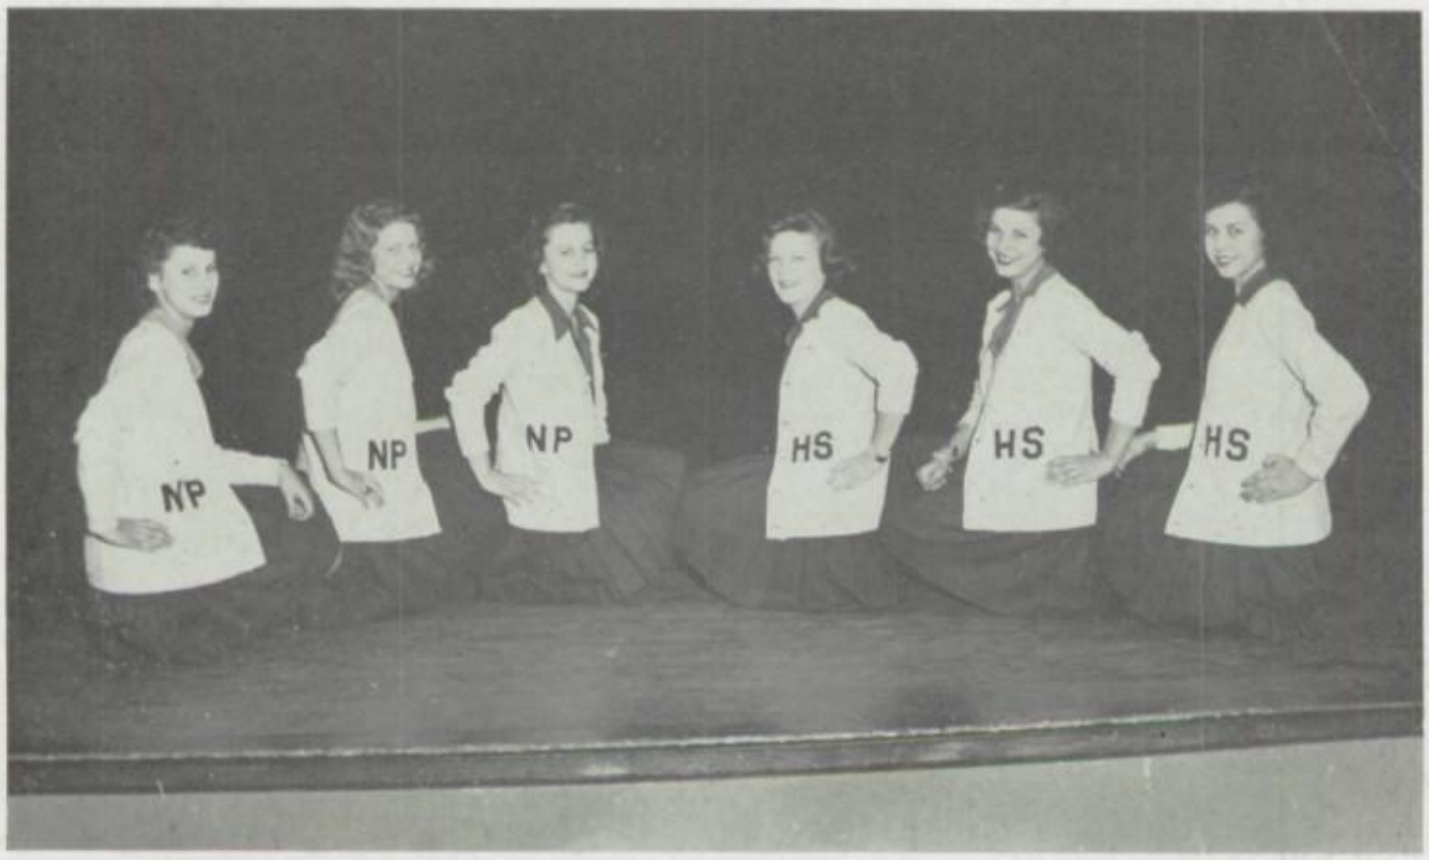
"Sharkey" has been with the squad for three years and worked hard all of the time. Although never spectacular, he was always consistent and had a fighting spirit. He is one of those boys who kept the members of the first string working hard.



BERNARD HEATON - - - - - - - - *End*

"Bud" played a wonderful game against Akron Garfield and demoralized their offense. But he received a fractured neck that night and was lost to the squad for the rest of the season. He will be back next year.

Cheerleaders



Joann McKnight, Jacqueline Ewbank, Virginia Bichsel, Phyllis Fagley, Doris Hurst, Rhoda Light.

Lest We Forget 1945-'46

All hail to the girls,
Who as cheer leaders true,
Stuck to our teams
Until they came through.
With the attitude
of "Do or die"
For our Alma Mater,
New Phila High.

The Varsity Basketball Team

Row 1—Richard Meese, William Yaggi, Edward Warmack, Jack Singerman, Glenn Glazier.

Row 2—Howard Schneider, Leon Yarnell, Paul Phipps, Robert Harris, Lynn McGill, Robert Williams.

NEW PHILADELPHIA—32 CANTON LINCOLN—27

The Quakers opened their season with an impressive victory over the Lincoln Lions. The Lions surpassed the Phils in height, but the Phils outplayed them and came out on top. Warmack paced the Quaker attack with 12 points.

NEW PHILADELPHIA—36 DENNISON—21

In turning back the Railroaders, the Quakers were far from top form, and missed numerous easy shots all evening. "Bill" Yaggi, starting guard, was out of the line-up because of injuries received in the Lincoln game.

NEW PHILADELPHIA—38 AKRON GARFIELD—35

After trailing throughout the entire game, the Quakers rallied in the final minutes of the game to win. Yarnell controlled both backboards throughout the evening, and Warmack was high point man with 12 points.

NEW PHILADELPHIA—39 CAMBRIDGE—27

After a slow-starting quarter which Cambridge took 3 to 2, the Quakers took the lead and were never threatened for the rest of the game. Both teams missed many shots from out front, but made almost all of their free throws.

NEW PHILADELPHIA—30 DOVER—33

The Quakers' winning streak was snapped by their arch rivals after a hectic second quarter. A second quarter rally gave the Doverites a 9-point lead which the Quakers could not overcome. Dover led throughout the game.

NEW PHILADELPHIA—28 MANSFIELD—32

Suffering their second reversal of the season, the Quakers went down in defeat after leading up to the last two minutes in the last quarter. Their 6'6" center was successfully bottled up by the Quakers and scored only 6 points.

NEW PHILADELPHIA—48 MASSILLON—23

The Quakers showed top form and avenged last year's defeat by plastering the Tigers. The airtight zone defense of the Quakers checked the Tigers' offense to a standstill. "Eddie" Warmack again hit his stride as he collected 15 points.

NEW PHILADELPHIA—26 EAST LIVERPOOL—25

The Quakers really pulled a big upset when they defeated the red-hot Potters. This victory made the Quakers the first Ohio squad to defeat the Potters this season. Jack Singerman and Paul Phipps led the scorers with 8 points each.

NEW PHILADELPHIA—32 UHRICHSVILLE—34

Although the Quakers took a 11 to 3 lead in the first quarter, they faltered in the second quarter, and the Tigers forged ahead. "Eddie" Warmack, veteran guard, "burned up" the nets with 21 points to lead all scorers.

NEW PHILADELPHIA—35 CAMBRIDGE—50

By defeating the Quakers, the Bobcats got revenge for a previous defeat. For the Quakers this was the most humiliating defeat of the season. The squad was far from top form, and the Bobcats just couldn't miss.

NEW PHILADELPHIA—36 WOOSTER—34

The Quakers weathered a furious last quarter rally to return to the win column after receiving two defeats. The Quakers scored 27 points in the first half and then "fell apart." Their large center led all scorers.

NEW PHILADELPHIA—57 BARNESVILLE—31

The Quakers had an easy time as they rolled over the Shamrocks and posted their highest score of the season. They took an early lead and kept this throughout the game. Warmack, Phipps, and Harris each scored 10 points.

NEW PHILADELPHIA—38 DOVER—47

The Tornadoes completely outplayed the Quakers and made it the second win over us this season. They kept a 10-point lead through the whole game. Hammond was high for Dover with 15 points.

NEW PHILADELPHIA—50 CANTON TIMKEN—25

The Quakers turned in one of their best performances as they practically ran the Trojans off the floor. They controlled both backboards all the time. Warmack with 16 and Phipps with 11 points led all the scorers.

NEW PHILADELPHIA—33 UHRICHSVILLE—27

A tight defense and a fast offense blasted the Tigers' undefeated record and gave the Quakers revenge for the pervious defeat. Harris and Singerman both turned in a brilliant performance. The Quakers led during the entire game.

NEW PHILADELPHIA—55 BARNESVILLE—31

The Quakers had little opposition as they again rolled over the Shamrocks. The first string played less than two periods. The Quakers posted 23 points in the second quarter. Warmack and Harris led all scorers with 14 points apiece.

NEW PHILADELPHIA—44 DENNISON—28

Although the Quakers played without Harris, their ace forward, they had little trouble winning. The Phils took an early lead and were never headed. Warmack again took scoring honors by making 17 points.

NEW PHILADELPHIA—42 AKRON HOWER—22

The Akron team was composed of all tall players, but the Quakers had little trouble with them. The juniors played the entire last quarter, and this was the only quarter Akron outscored Phila. This was the last game of the season.

THE TOURNAMENT

NEW PHILADELPHIA—35 ZANESVILLE—32

The Quakers, although winning, played a mediocre game and showed some ragged ball-handling. The game was close throughout and provided the fans with some real excitement. Phipps collected 13 points for the evening.

NEW PHILADELPHIA—37 UHRICHSVILLE—29

During this season, Uhrichsville lost only two games, and both went to the Quakers. "Wattie" Henry, Uhrichsville's wonder boy, led all scorers with 12 points, while Phipps collected 11. The Quakers were ahead all through the game.

NEW PHILADELPHIA—29 DOVER—39

The Crimsons made it three in a row over the Quakers this year and eliminated the Phils from the tournament. The Quakers exhibited some bad ball-handling the first half by continually losing the ball to Dover. Baker led the Doverites with 12 points, and Singerman led the Quakers with 11 points.

THE TEAM

Edward Warmack *Guard*

This was "Eddie's" third year with the varsity squad, and he was the captain and leading scorer for the season. He is as fast as lightning and a dead shot on the floor. He is excellent on both offense and defense. He will be greatly missed next year.

William Yaggi *Guard*

"Bill" specialized in one-handed shots from the side, which accounted for most of his points this season. He had a lot of natural ability and played an excellent defensive game throughout the season. For this reason he will be hard to replace.

Jack Singerman *Forward*

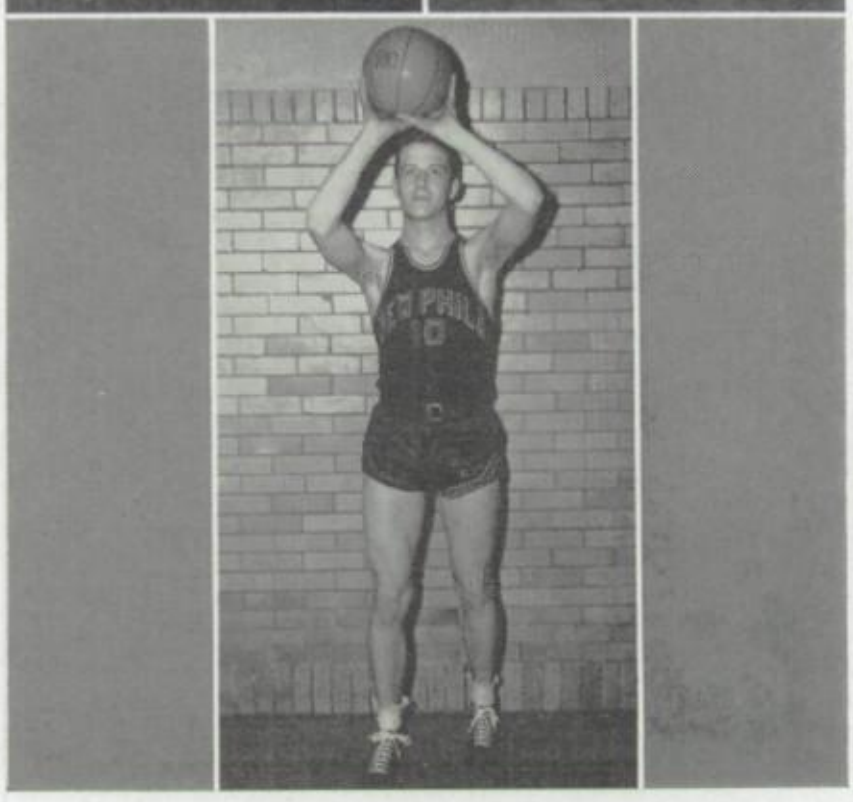
Jack was a cool, steady player who could always be counted on to do his best. He was named on the all-county team. He turned in a grand performance against Dover in the county finals. A one-handed lay-in from the foul line was his favorite shot.

Robert Harris *Forward*

"Bob" was one of our tough forwards who did an excellent job of rebounding all season. He was always coming in to score when the game became close. On defense, he was really tough and continually sewed up the opposition. He was a dead shot from the side.

Paul Phipps *Center*

Paul is our big junior pivot man and a one-handed sharp-shooter. He always controlled both backboards and was excellent on his rebounds. He is the only first-string man who will be back with us next year.



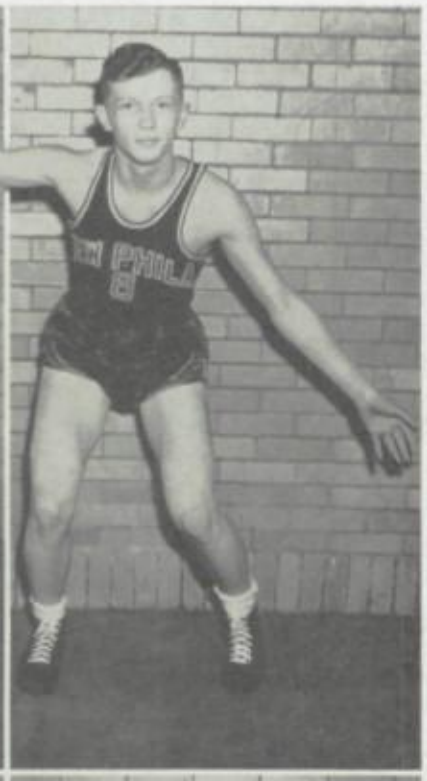
THE TEAM

Richard Meese *Guard*

"Dick" is only a sophomore who was brought up from the Reserves during the middle of the season. He earned a starting position for a few games during the season. He has a deadly shot from out front and will be very tough next year.

Robert Williams *Forward*

"Bud" was a substitute this year and will have a starting position next year. He always turned in a good performance on both offense and defense. He was always cool-headed and had a fighting spirit which will help out next year's squad.

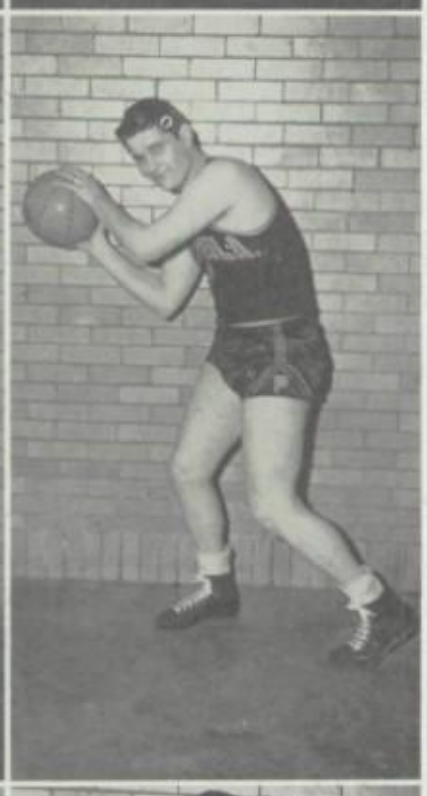


Leon Yarnell *Forward*

"Scorp" was a very reliable player who saw a lot of action this season. He was very tough under the bucket and had a deadly left hook. Although he was never spectacular, he was very effective. He always played a good defensive game.

Howard Schneider *Forward*

"Tubby" could play either under the bucket or out front and could play both positions well. He was best at a hook-shot from out at the foul circle. Every time there was a scramble for the ball, "Tubby" would come out of the pile with it.



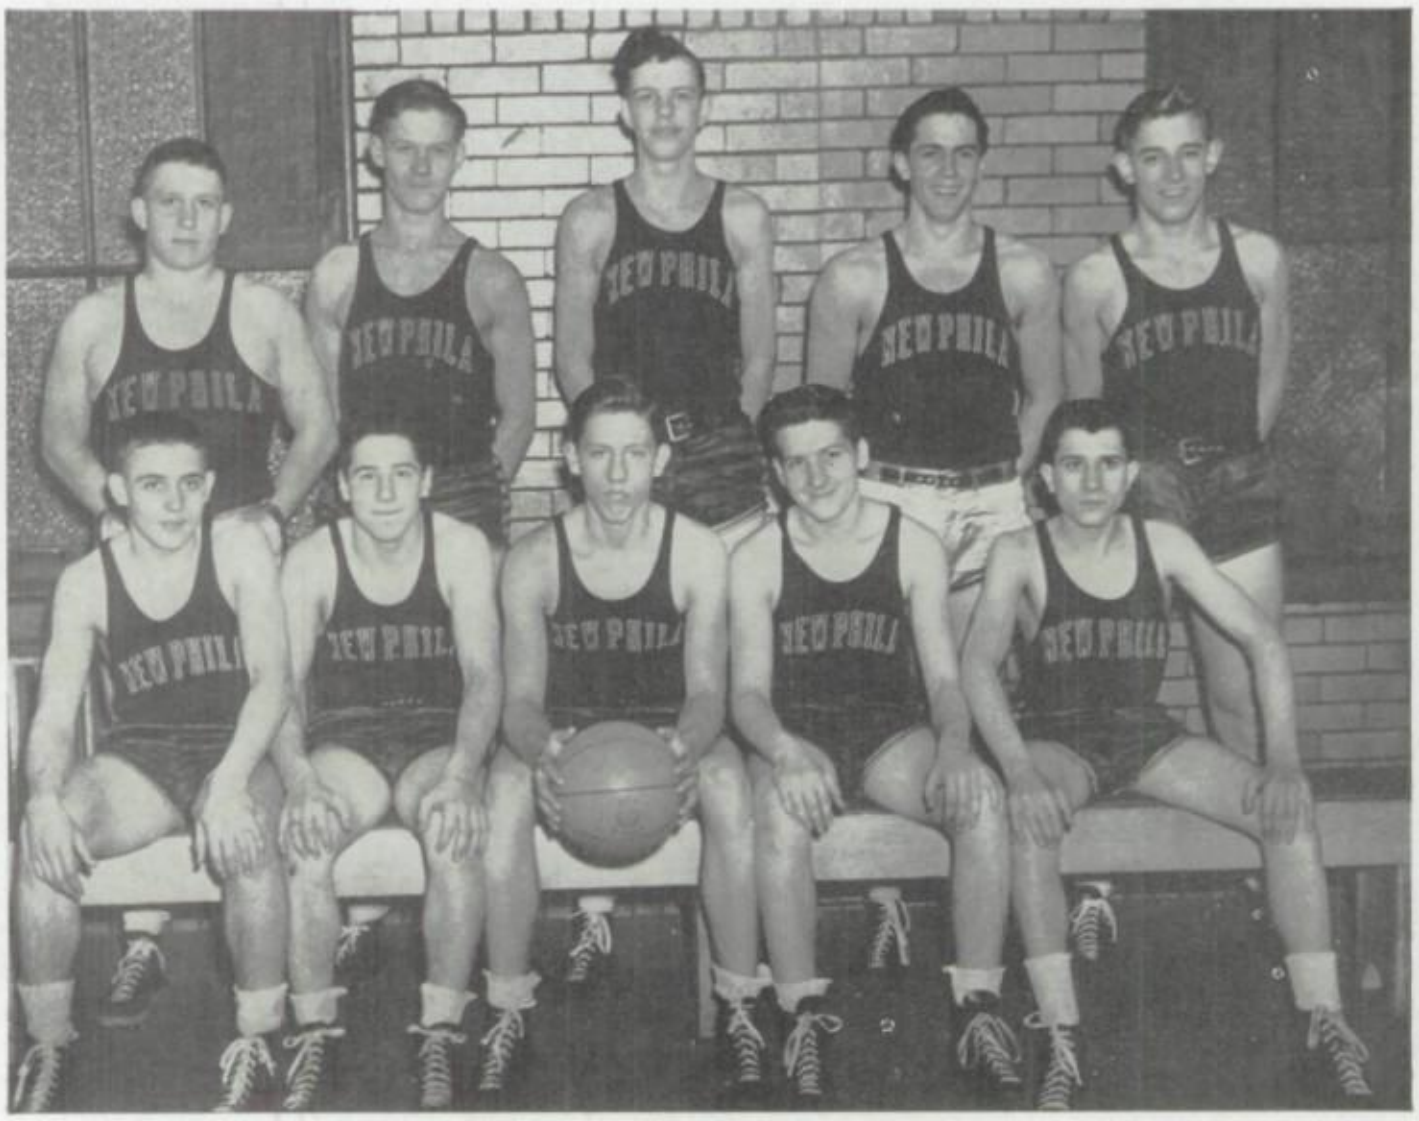
Glenn Glazier *Guard*

"Punky" saw limited action this year since he was a substitute for Warmack. He was a good set-shot from the center of the floor, and he should be able to pile up many points from that position next year. He worked hard throughout the season and really earned his letter.

Lynn McGill *Center*

Lynn is another player who was brought up from the Reserves during the season. He will hold down the pivot position next year, and his height will be an asset to the squad. Although he saw little action, he showed that he can control the backboards.

The Reserve Team



Row 1—Eugene Meese, Herman Menapace, William Ashton, Stanley Massarelli, John Powell.

Row 2—William Bichsel, Jack Jackson, Jerry Burke, Bernard Heaton, Paul Miskimen.
